Andrea Carlstrom, Director
Chaffee County Public Health
acarlstrom@chaffeecounty.org; 719-207-1399

Chaffee County, CO- Chaffee County Public Health (CCPH) would like the public to know that it has started to receive its first shipments of the new annual COVID vaccine. For those who have Medicaid as an insurance, are uninsured, or are underinsured, CCPH has limited supplies of Moderna vaccine for ages 6 months and older. It is expected that CCPH will receive its commercial market and private pay inventory at some point in the first or second weeks of October. CCPH does not have the new COVID vaccine for people with private insurance or Medicare at this time. It is anticipated that other vaccine providers will be receiving their vaccine shipments around the same as CCPH. To make an appointment, contact CCPH at 719-539-4510 during regular business hours.
