TAX LIABILITY GUIDANCE FOR YOU AND/OR YOUR BUSINESS

Do you want to pay less in taxes? Do you get the guidance and advice you need and deserve from your current tax preparer? Did you pay the lowest possible tax on your prior tax return?

When you have Tax questions that need an answer now, where do you look? Perhaps the internet, colleagues, a bookkeeper or accountant? This path may lead to inaccurate guidance or cost you more in tax liabilities due to a lack of accurate and specific guidance from a licensed tax subject matter expert. Getting the wrong guidance can cost you a significant amount of money in taxes.

Our Tax Support Program is an Advisory Service that provides our clients with direct access to the Tax subject matter expertise they need when they need it to proactively manage their tax liabilities.

This service includes:

- Unlimited telephone and email consultation* that typically include such topics as:
- Guidance on Capital Gains
- Guidance on Retirement Distributions
- Guidance on Standard vs. Itemized Deductions
- Do you need to file for an extension?
- Guidance on Buy vs. Lease
- And of course, any other tax topic you wish to discuss

Special pricing for Salida Chamber of Commerce (SCC) is 50% off the monthly subscription fee. You only pay \$150 per month for this comprehensive service. All SCC members are also eligible for a free initial discovery call and 25% off other tax solutions provided by TAHR Services, including Strategic Tax Planning, Tax Preparation, and Tax Resolution.
