Ark-Valley Humane Society announces Home for the Holidays Adoption Promotion

Buena Vista, Colo. - Ark-Valley Humane Society (AVHS) is hosting a Home for the Holidays Adoption promotion from Wednesday November 15th through Saturday December 23rd.

During this promotion all adult animals (8 months and older) will have 'Name your price' adoption fees. All puppies and kittens will have ½ off adoption fees.

"If you've been thinking of adding a cat or dog to your family, now is a great time to visit the shelter! We have several cats and dogs of all ages looking for a loving home," said AVHS Operations Manager, Krissy Zic.

The shelter is open Monday through Saturday from 12-5 PM. We recommend scheduling an appointment as some of our animals are in foster homes. Call or text 719-395-2737 to schedule an appointment. All adoptable pets can be viewed at <https://www.ark-valley.org>

All dogs and cats are spayed or neutered, microchipped, and up to date on their vaccinations before going home.

For questions, please contact Emy Nettleblad at enettleblad@ark-valley.org.
