

The **Salida Pregnancy Resource Center** received a grant from the Chaffee Community Foundation to provide gifts of car seats to qualifying fathers in Salida, Buena Vista and the surrounding area. The program, **Dad's Car Seat Program**, will provide a new car seat for children, infants to one year of age. To qualify for the program fathers will register with the Salida Pregnancy Resource Center at 215 East Third street. Fathers will complete two of the Center's parenting classes, which can be done online by text or email. Once the classes are completed the father will be gifted a new car seat appropriate to the age of the child.

The program is limited by the amount of the grant funds awarded and will end once the amount of the grant money is expended.

For information and to register for the program call the Salida Pregnancy Center at 719-539-7436. The Center is open Monday 10a-3p; Wednesday 12n-5p; Thursday 12n -5p and Friday 11a-4p; closed on Tuesday and all Federal Holidays.
