# *Recipe for Hope*

SLV Sky Hi Complex | 12 - 1 p.m.

## **Care and Share Food Bank's Recipe for Hope Luncheon is one of Southern Colorado's most cherished fundraising events.**

For years, Care and Share's Recipe for Hope Luncheons in Colorado Springs and Pueblo has provided attendees the opportunity to hear powerful stories of hope and inspiration from our neighbors experiencing food insecurity, our partners, and our supporters.

**Now, the luncheon is coming to the San Luis Valley!** During the one-hour program, you will learn more about Care and Share's 50-year impact - along with our vision for serving the Valley and southwest region through our new SLV Distribution Center located in Alamosa.

Whether you're a sponsor, a table captain, or a guest, your support is a vital ingredient in furthering our mission and helping to create more access to the nutritious food children, families, and older adults across our 29-county service area need to thrive.
