June 5, 2020

PUBLIC HEALTH AGENCY ORDER # 2020 – 07 – AMENDMENT 3
CHAFFEE COUNTY PUBLIC HEALTH ORDER RELATED TO COVID-19

EFFECTIVE IMMEDIATELY

* THIS ORDER SHALL RESCIND AND REPLACE ALL PREVIOUS ORDERS *

FINDINGS

On January 30, 2020, the World Health Organization (“WHO”) declared the worldwide outbreak of COVID-19 a “public health emergency of international concern.” On January 31, 2020, the United States Department of Health and Human Services declared the virus a public health emergency.

On March 10, 2020, the Governor of Colorado (the “Governor”) declared a state of Emergency related to the presence of COVID-19 in the State. The Colorado Department of Public Health and Environment (“CDPHE”) has confirmed that COVID-19 continues to spread throughout the State of Colorado.

On March 11, 2020, WHO declared COVID-19 a pandemic, pointing to the sustained risk of further global spread.

On March 13, 2020, Chaffee County (“County”) declared a Local Disaster Emergency related to COVID-19. Pursuant to Resolution 2020-29, the County ratified and extended this Local Disaster Emergency declaration at a meeting of the Chaffee County Board of County Commissioners (“BoCC”) on March 17, 2020. The BoCC further extended the disaster declaration on April 7, 2020.

On March 13, 2020, the President of the United States (the “President”) declared a National Emergency due to COVID-19.

On March 16, 2020 the President issued new guidelines to help protect Americans during the COVID-19 pandemic, which includes: avoiding discretionary travel, gathering limited to 10 or less people, use of drive through and pick up delivery options, and telecommuting for work and school.

Chaffee County Public Health (“CCPH”) anticipated that, due to the contagiousness of the illness and the fact that numerous travelers from around the world visit the county, Chaffee County would see cases of the virus and its transmission within the community. Developing social distancing policies prior to an extensive outbreak has been a proven means of helping to contain COVID-19 outbreaks.

On March 17, 2020, CCPH issued its first Public Health Order to limit COVID-19’s transmission with the community by limiting the size of events, closing restaurants, bars, theaters, gyms and closing short-term rentals, hotels and other similar facilities.

On March 19, 2020, CDPHE issued Public Order 20-23, which implemented additional social distancing measures, such as: limiting all mass gathering (including community, civic, public, leisure, faith-based events, sporting events with spectators, concerts, conventions, fundraisers, parades, fairs, festivals, and ay similar event or activity) to no more than ten people. Public Order 20-23 made exemptions for governmental agencies, transportation stations, health care facilities, grocer/retail stores, pharmacies, government buildings and factories.
On March 19, 2020, CCPH issued its second Public Health Order to limit COVID-19’s transmission with the community by closing non-essential businesses, limiting the size of events, closing restaurants, bars, theaters, gyms and closing short-term rentals, hotels and other similar facilities.

On March 25, 2020, the Governor issued Executive Order 2020-17, ordering Coloradans to stay at home due to the presence of COVID-19 in the State of Colorado, with certain directives and directed CDPHE to issue a public health order consistent with the directives of Executive Order 2020-17.

On March 25, 2020, CDPHE issued Public Order 20-24, which implemented stay at home requirements, including but not limited to ordering: people to Stay at Home whenever possible, limiting all public and private gatherings occurring outside regardless of the size, limiting travel, and closing all businesses except Critical Businesses.

On March 26, 2020, CCPH issued its third Public Health Order to limit COVID-19’s transmission implementing stay at home requirements, directing visitors to go home, limiting all public and private gathering occurring outside regardless of the size, limiting travel and closing all Non-Critical Businesses.

On April 6, 2020, The Governor Amended Executive Order 2020-17. The Amended Executive Order extended the requirements for Coloradans to stay at home to April 26, 2020, clarifying what activities Coloradans are allowed to engage in and emphasizing that local public health authorities have the authority to issue a more protective public health order than the Governor’s Executive Orders.

On April 9, 2020, CCPH issued its fourth Public Health Order to limit COVID-19’s transmission extending stay at home requirements and clarifying earlier orders.

On April 26, 2020, the Governor issued Executive Order 2020-044 which implemented a Safer at Home model which authorizes transitioning from a stay at home model. That Order was amended via Executive Order 2020-091 dated June 1, 2020.

Effective April 27, 2020, CDPHE issued Public Order 20-28, which implemented a Safer at Home model. That order has been periodically amended, with the most recent amendment (the fifth amendment) dated June 2, 2020. Safer at Home still requires that Vulnerable Individuals remain at home, but allows limited reopening of postsecondary institutions and certain businesses. Additionally, individuals are encouraged to stay at home as much as possible and practice Social Distancing to reduce the likelihood of disease transmission, but certain activities, such as gathering in groups of no more than ten for activities, are permitted. As we continue to combat COVID-19 in our communities, continuing restrictions on individual travel and necessary activities remain appropriate. CCPH implemented a Safer at Home Model on May 1, 2020, issued on May 1, 2020 (Public Health Order 2020-05), which it amended on May 15, 2020 (Public Health Order 2020-06).

CDPHE Public Order 20-28 allows any Colorado county to request a variance from the CDPHE order allowing for an alternative COVID-19 suppression plan that differs from the State’s orders. On May 8, 2020 CCPH submitted a Variance Request to CDPHE requesting relief from some of the provisions in Executive Order 2020-17, CDPHE Orders 20-22, 20-24, 20-6 and 20-28. Specifically, the Variance Request proposed opening certain businesses if they followed industry specific health and safety requirements. The Variance Request asked for relief from the State’s orders for the following businesses: retail food establishments, places of worship, fitness centers, recreation, outfitters/guided activities, bowling alley and outdoor hot springs. The Variance Request was adopted by the Chaffee County Board of County Commissioners,
endorsed by CCHP, verified by the local hospital and supported by the local municipalities. The Variance Request was granted on May 21, 2020 with minor modifications and is incorporated into CCHP Order 2020-07. This CCHP Order is the 3rd amendment to CCHP 2020-07 and is intended to reflect the updated CDPHE Order issued June 2, 2020.

As of June 3, 2020, Chaffee County had 75 confirmed positive cases and 19 deaths associated with COVID-19. Multiple sources of data show that COVID-19 transmission and the use of healthcare due to COVID-19 have leveled off in Chaffee County. Our work to “flatten the curve” appears to be succeeding. Thus, it is appropriate to adopt the lessening of the current Safer at Home state restrictions. Transmission of the virus, however, continues to threaten Chaffee County citizens’ way of life and livelihoods.

CCHP recommends that without taking appropriate steps, the number of cases within Chaffee County will once again rise which may result in serious illness or death for certain members of the community, and will have the effect of further interrupting the functioning of the community, will overwhelm the capacity of the local health care system and the ability to respond to the COVID-19 pandemic. Additionally, a large surge in the number of persons with COVID-19 can compromise the ability of the healthcare system particularly in the high-country counties currently affected by community transmission to deliver necessary healthcare to the public.

The virus that causes COVID-19 is spread primarily by close contact between people and through respiratory droplets when an infected person coughs or sneezes. It can also be spread through contact with contaminated surfaces. Public health experts recommend we practice social distancing, or maintaining a physical distance of six (6) feet or more from other people, as a way to slow the spread of COVID-19. There is clear evidence that some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings promote transmission of COVID-19. COVID-19 also physically contributes to property loss, contamination, and damage due to its propensity to attach to surfaces for prolonged periods of time.

Non-residents, visitors and non-resident homeowners from lower altitudes, regardless of whether they are residents of Colorado, another state, or a foreign country, are at a greater risk for complications from COVID-19 infection than residents, who are acclimatized to the high-altitude environment of Chaffee County. Non-residents, regardless of whether they own a residence in Chaffee County, and regardless of whether they reside in Colorado, another state, or another country, continue to impose potentially excessive burdens on local health care, public services, first responders, food supplies and other essential services. Such persons continue to potentially create issues with regard to enforcement of Chaffee County's public health orders.

Notwithstanding these findings, continuing the relaxation of at least some of the restrictions in the current orders can be and is consistent with protecting the public health. The scientific evidence also shows that at this stage of the emergency, it is critical to carefully re-open the County in phases to protect the most vulnerable and to prevent Colorado’s health care system from being overwhelmed but to also allow a gradual return to normal activities. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable and increase the distance between people in the work environment. This Order helps to continue to carefully re-open the County’s economy yet preserves the wellness of our residents by reducing the spread of the disease in our communities and our workplaces, and preserving critical emergency and healthcare capacity in the State.
The limitations on people’s activities, business activities, large gatherings and use of social distancing decreases the risk of COVID-19 transmission to our most vulnerable populations and is especially important for people who are over 65 years old and those with chronic health conditions due to their higher risk of severe illness and death from COVID-19. This Order will continue to reduce the likelihood that many individuals will be exposed to COVID-19 at a single event and will therefore continue to slow the spread of COVID-19 in our communities. CCPH is monitoring the spread of COVID-19 and the Public Health Director reserves the right to tighten restrictions in future orders should protection of the public health and welfare necessitate such measures.

This Order is adopted pursuant to the legal authority set forth in sections 25-1-506 and 25-1-508, Colorado Revised Statutes. Under these laws, the Chaffee County Public Health Director has the duty to investigate and control the causes of epidemic or communicable diseases and conditions affecting public health and to establish, maintain, and enforce isolation and quarantine, and in pursuance thereof, and for this purpose only, to exercise physical control over property and over the persons of the people within the jurisdiction of the agency as the agency may find necessary for the protection of the public health.

This Order continues to reflect the requirements of CDPHE’s Public Health Order 20-28 implementing a Safer at Home model, as amended. Nothing in the Governor’s Executive Orders or CDPHE Public Health Orders prevent a local public authority from issuing an Order more protective of public health. Any restrictions in this Order that are more protective of the public health and welfare will prevail over any state Executive or CDPHE order that are less protective of the public health and welfare.

This Order shall apply to all unincorporated areas of Chaffee County, Colorado and all incorporated (municipal) areas that do not have their own public health agency: City of Salida, Town of Poncha Springs and Town of Buena Vista. This Order applies equally to persons within the boundaries of Chaffee County, Colorado, regardless of their city, state or country of origin.

The provisions of this Order are necessary and are the least restrictive means available to continue to adequately protect the public health. If any provision of this Order is held to be invalid, the reminder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect.

**INTENT**

This Order sets forth the requirements for implementation of Safer at Home, as directed by Governor Polis and to direct and support Chaffee County’s COVID-19 response efforts. Individual restrictions remain in place concerning limitations on activities, travel, and public gatherings. Workplace restrictions remain necessary to implement standard **Social Distancing Requirements**, cleaning standards, and other items necessary to reduce the possibility of disease spread and overwhelming the health care system. Additionally, certain businesses and activities require specific guidance based on their business practices, and those are included in the Appendixes to this Order. Businesses are encouraged to follow the CDPHE guidance by business sector located at [www.covid19.colorado.gov/safer-at-home](http://www.covid19.colorado.gov/safer-at-home). If there are any discrepancies between this Order and CDPHE guidances, this Order shall govern.
ORDER

1. SAFER AT HOME

a. All individuals currently living within Chaffee County are encouraged to stay at home and avoid unnecessary interactions whenever possible in order to reduce the spread of disease. Individuals living in shared or outdoor spaces must at all times, to the greatest extent possible, comply with Social Distancing Requirements, and are encouraged to leave their residences only to perform or utilize Necessary Activities or Necessary Travel. Individuals are strongly encouraged to limit shopping for groceries to one time a week.

b. Except as more specifically provided herein, all individuals in Chaffee County are strongly urged to wear face coverings that cover the nose and mouth whenever in public. Except, all individuals are required to wear face coverings whenever one of the following conditions are met: (i) there’s a possibility of public interaction; or (ii) when in someone else's home, business or organization; or (iii) when coming into contact with high-touch surfaces in public. Face coverings are not required for individuals with a documented medical condition that prohibits an individual from wearing a mask. Small children who are not able to maintain a face covering are exempt from this requirement. When in public, individuals should have a face covering handy and be prepared to properly use it when in contact with others.

c. All public and private gatherings or events occurring inside or outside a residence are limited to no more than ten individuals, except for the limited purposes expressly permitted in this Order, which include Necessary Activities. Nothing in this Order prohibits the gathering of members living in the same residence.

d. People at high risk of severe illness from COVID-19 and people who are sick are urged to stay in their residence at all times except as necessary to seek medical care. Vulnerable Individuals and people who are sick with COVID-19 cannot be compelled to work for any business or government function, including a Critical Business or Critical Government Function, during the pendency of this pandemic emergency.

e. Individuals experiencing symptoms of COVID-19 must self-isolate until their symptoms cease or until they have a negative test result. If an individual has tested positive for COVID-19 and/or has developed symptoms of COVID-19, including early or mild symptoms (such as cough and shortness of breath), they should be in isolation (staying away from others) until they have had no fever for at least seventy-two (72) hours (that is three full days of no fever without the use of medicine that reduces fevers), other symptoms have improved (such as cough or shortness of breath) and at least seven (7) days have passed since symptoms first appeared.

f. People are encouraged not to travel outside of the County except for Necessary Travel (Necessary Travel includes travel to access outdoor recreation areas).

g. People experiencing homelessness are strongly urged to obtain shelter and entities are strongly urged to make shelter available as soon as possible and to the maximum extent practicable. People experiencing homelessness must comply with Social Distancing Requirements, at all times.

h. All travel, including, but not limited to, travel by automobile or public transit or pedestrian or self-propelled travel, such as bicycling, except Necessary Travel is prohibited. People must use public transit only for purposes of performing
Necessary Activities or Necessary Travel. People riding on public transit must comply with Social Distancing Requirements, to the greatest extent feasible.

i. Individuals may participate in local and personal recreation, as an authorized Necessary Activity (subject to the requirements in of Section 2.n, below, Appendix J of this Order and any applicable state guidance), in groups no larger than 10 and practicing social distancing maintaining 6 feet between participants. Except for members of a single household, sharing equipment is prohibited.

2. BUSINESS REQUIREMENTS

a. The following places of public accommodation remain closed to ingress, egress, use, and occupancy by members of the public:

i. Bars, taverns, brew pubs, breweries, microbreweries, distillery pubs, wineries, special licensees, clubs, and other places of public accommodation offering alcoholic beverages for on-premises consumption, except to the extent the establishment ensures access to food from a licensed retail food establishment for on-premise consumption and such businesses meet the requirements of Section 2.n, below, and applicable state guidance and have received a Certificate of Safety, as described in 3.a, below);

ii. Movie and performance theaters except for drive in movie theaters, opera houses, concert halls, and music halls, provided they comply with Social Distancing Requirements and such businesses meet the requirements of Section 2.n below, and have received a Certificate of Safety, as described in 3.a below; concession stands must meet the requirements for restaurants, described below.

iii. These restrictions do not apply to:

1. Hotels, motels and short-term rentals, bed and breakfast establishments, lodges, and retreats, provided the establishment meets any applicable state guidance and the requirements of Section 2.n, below, submits an industry-specific checklist and has received a Certificate of Safety, as described in 3.a below.

2. Privately-owned campgrounds and RV parks may open only if such businesses meet the requirements of Section 2.n, below, Appendix J of this Order and any applicable state guidance. Such businesses must also obtain a Certificate of Safety, as described in 3.a, below.

These restrictions do not apply to any of the following:

i. Room service in hotels that are Critical Businesses;

ii. Health care facilities, residential care facilities, congregate care facilities, and juvenile justice facilities;

iii. Crisis shelters or similar institutions;

iv. Airport concessionaires;

v. Institutions of higher education offering dining hall services located in or adjacent to campus dormitories that are accessed through student, staff, faculty, or campus associated identification, as well as grab and go food
services within these institutions, while exercising social distancing measures of at least six feet between individuals;

vi. Libraries may continue to offer services using delivery service, window service, walk-up service, drive-through service, drive-up service, or curbside delivery if Distancing Requirements are followed and such businesses meet the requirements of Section 2.n below and have received a Certificate of Safety, as described in 3.a below; and

vii. Any emergency facilities necessary for the response to these events.

b. All Critical Businesses and Critical Government Functions, as defined in Section 3 below, may continue to operate. Critical Businesses and Critical Government Functions must comply with the applicable guidance attached in the Appendixes to this Order and must receive a Certificate of Safety (described in 3.a below) in order to continue operations. Critical Businesses must comply with Social Distancing Requirements at all times, adopt work from home or tele-work policies for any operations that can be done remotely, and implement other strategies, such as staggered schedules or re-designing workplaces, to create more distance between workers unless doing so would make it impossible to carry out critical functions. Critical Businesses that serve the public such as grocery stores and other Critical Retail shall comply with Social Distancing Requirements at all times including, but not limited to, when any customers are standing in line. Critical Business and Critical Government Functions shall continue to promote telecommuting to the greatest extent possible. Pursuant to the Governor’s Executive Order D 2020 039, workers in Critical Business and Critical Government Functions who interact in close proximity with other employees or with the public must:

i. Wear medical or non-medical cloth face coverings that cover the nose and mouth while working, except where doing so would inhibit that individual’s health; and

ii. To the extent possible, wear gloves when in contact with customers or goods.

c. Restaurants, food courts, cafes, coffeehouses, tasting rooms of breweries, wineries, and distilleries and other similar places of public accommodation offering food or beverage for on-premises consumption may open only if such businesses meet the requirements of Section 2.n, below, Appendix G of this Order and any applicable state guidance. Such businesses must also obtain a Certificate of Safety, as described in 3.a, below), by June 15, 2020.

d. All restaurants and bars permitted by CCPH Order 2020-04 to offer food and beverage using delivery service, window service, walk-up service, drive-through service, drive-up service, or curbside delivery places may continue to offer food and beverage in such manner, in accordance with mandatory Social Distancing Requirements, except as prohibited or limited by this Order. These entities include restaurants, food courts, cafes, coffeehouses, and other similar places of public accommodation offering food or beverage for on-premises consumption; and bars, taverns, brew pubs, breweries, microbreweries, distillery pubs, wineries, tasting rooms, special licensees, clubs, and other places of public accommodation offering alcoholic beverages.

e. All Non-Critical Retail, as defined in Section 3 below, may operate and offer goods through delivery service, window service, walk-up service, drive-through service,
drive-up service, curbside delivery, or any other manner allowing for strict compliance with mandatory Social Distancing Requirements, similar to the requirements for Critical Retail. Additional requirements for Critical and Non-Critical Retail are contained in Section 2.n below and Appendix A of this Order. Non-Critical Retail may resume in-person services if they meet the requirements in Section 2.n below and the additional requirements outlined for these services in Appendix A and have received a Certificate of Safety, as described in 3.a, below.

f. All Field Services, including real estate, may resume operations, if they meet the requirements in Section 2.n below and the additional requirements outlined Appendix B and have received a Certificate of Safety, as described in 3.a, below. Real estate includes in-person real estate showings and marketing services which must adhere to Social Distancing Requirements with cleaning and disinfection between each showing, but may not hold open houses.

g. Other health care services in certain limited healthcare settings, not covered by CDPHE Order 20-29 (governing Voluntary or Elective Surgeries or Procedures), may resume if they meet the requirements in Section 2.n below and the additional requirements of Appendix E and have received a Certificate of Safety, as described in 3.a, below. Voluntary or elective surgeries or procedures must comply with CDPHE Order 20-29.

h. Limited Personal Services may resume in-person services if they meet the requirements in Section 2.n below and the additional requirements outlined for these services in Appendix D and have received a Certificate of Safety, as described in 3.a, below.

i. Non-Critical Office-Based Businesses operating in an office and not a production environment, as defined in Section III below, may allow up to 50% of their employees to conduct in-person work that takes place outside a private residence in accordance with the requirements in Section 2.n below and the additional requirements outlined in Appendix C and have received a Certificate of Safety, as described in 3.a, below.

j. Gyms, health clubs, and other similar fitness facilities may open only if such businesses meet the requirements of Section 2.n, below, Appendix I of this Order and any applicable state guidance. Such businesses must also obtain a Certificate of Safety, as described in 3.a, below), by June 15, 2020.

k. All guiding and outfitting related business may open only if such businesses meet the requirements of Section 2.n, below, Appendix K of this Order and any applicable state guidance. Such businesses must also obtain a Certificate of Safety, as described in 3.a, below), by June 15, 2020.

l. Bowling alleys may open only if such businesses meet the requirements of Section 2.n, below, Appendix L of this Order and any applicable state guidance. Such businesses must also obtain a Certificate of Safety, as described in 3.a, below), by June 15, 2020.

m. Outdoor hot springs may open only if such businesses meet the requirements of Section 2.n, below, Appendix M of this Order and any applicable state guidance. Such businesses must also obtain a Certificate of Safety, as described in 3.a, below), by June 15, 2020.
All businesses and government functions, including Critical Businesses, Critical Government Functions, Non-Critical Office-Based Businesses, Personal Services, Limited Healthcare Settings, and Non-Critical Retail shall all follow the protocols below:

i. Employers and sole proprietors shall take all of the following measures within the workplace to minimize disease transmission, in accord with the CDPHE Guidance:

1. Appoint a workplace coordinator(s) charged with addressing COVID-19 issues;
2. maintain 6-foot separation between employees and discourage shared spaces;
3. clean and disinfect all high touch areas;
4. post signage for employees and customers on good hygiene;
5. ensure proper ventilation;
6. avoid gatherings (meetings, waiting rooms, etc.) of more than 10 people;
7. implement symptom monitoring protocols (including workplace temperature monitoring), conduct daily temperature checks and monitor symptoms in employees. A sample form can be found at: https://drive.google.com/file/d/1uKwFlhc7wWa3OvnPw0zXWv49na_KGHdC/view.

If an employee is symptomatic, refer symptomatic employees to the CDPHE Symptom Tracker and take all of the following steps:

a. send employee home immediately;

b. increase cleaning in your facility and require social distancing of staff at least 6 feet apart from one another;

c. exclude employee until they are fever-free, without medication, for 72 hours and ten days have passed since their first symptom; and

d. if multiple employees have these symptoms, contact CCPH; and

8. eliminate or regularly clean and disinfect any items in common spaces, such as break rooms, that are shared between individuals, such as condiments, coffee makers, vending machines.

ii. Employers shall take all of the following measures regarding employees to minimize disease transmission:

1. require employees to stay home when showing any symptoms or signs of sickness, and connect employees to company or state benefits providers;

2. provide work accommodations for Vulnerable Individuals, who remain subject to Stay at Home advisement, prioritizing
telecommuting, as Vulnerable Individuals shall not be compelled to
go to work during the pendency of this pandemic emergency;

3. provide to the greatest extent possible flexible or remote scheduling
for employees who may have child or elder care obligations, or who
live with a person who still needs to observe Stay at Home due to
underlying condition, age, or another factor;

4. encourage and enable remote work whenever possible;

5. encourage breaks to wash hands or use hand sanitizer;

6. phase shift and breaks to reduce density; and

7. provide appropriate protective gear like gloves, masks, and face
coverings that cover the mouth and nose.

iii. Employers and sole proprietors shall implement the following measures
regarding customers to minimize disease transmission:

1. create whenever possible special hours for Vulnerable Individuals
only;

2. encourage Social Distancing Requirements inside of the business
for all patrons;

3. encourage customer use of gloves and require customers wear
medical or non-medical cloth face coverings that cover the nose and
mouth, except where doing so would inhibit that individual’s health
face coverings;

4. provide hand sanitizer at the entrances to the greatest extent
possible; and

5. use contactless payment solutions, no touch trash cans, etc.
whenever possible.

iv. Employers with over 50 employees in any one location shall, in addition to the
above requirements, implement the following protocols:

1. implement stations for symptom screening and temperature checks,
and follow the requirements in Section 2.n.i.7 above;

2. close common areas to disallow gatherings of employees;

3. implement mandatory cleaning and disinfection protocols; and

4. require mandatory adherence to Social Distancing Requirements.

v. If not otherwise stated elsewhere in this Order, a business can open with 10
or fewer people provided such business meets the requirements of this
Section 2.n and obtain a Certificate of Safety, as described in 3.a.

vi. Employers must provide reasonable work accommodations for Vulnerable
Individuals who are still under the Stay at Home advisement, such as
telecommuting. Employers are encouraged to provide reasonable work
accommodations for individuals who reside with or are caring for Vulnerable
Individuals, or facing child care needs while schools remain closed.
p. Children’s day camps, youth sports camps and exempt single skill-building youth camps may open in accordance with the requirements in the CDPHE Fifth Amended Order 20-28 provided they meet the requirements in Section 2.n above and have received a Certificate of Safety, as described in 3.a, below. Residential camps are not authorized to open at this time.

q. Additional requirements for specific industries are included in the following Appendices to this Order:

i. Appendix A: Critical and Non-Critical Retail Requirements

ii. Appendix B: Field Services

iii. Appendix C: Non-Critical Office-Based Businesses and Offices

iv. Appendix D: Personal Services

v. Appendix E: Limited Healthcare Settings

vi. Appendix G: Restaurants, Food Courts, Cafes, Coffeehouses, And Other Similar Places of Public Accommodation (Collectively Referred To Below As “Restaurants”)

vii. Appendix H: Places of Worship

viii. Appendix I: Gyms, Health Clubs, And Other Similar Fitness Facilities

ix. Appendix J: Recreation, Local Recreational Facilities, and Privately-Owned Campgrounds and Rv Parks

x. Appendix K: Guiding and Outfitting Related Businesses

xi. Appendix L: Bowling Alleys

xii. Appendix M: Outdoor Hot Springs

r. All businesses required to close down their in-person work under this Order may continue to carry out Minimum Basic Operations.

r. Child care facilities providing services exempted in this Order must, to the extent possible, operate in accordance with state guidelines. To the extent possible, child care shall be performed in compliance with Social Distancing Requirements.

3. DEFINITIONS

a. Certificate of Safety. A certificate issued by CCPH authorizing the business to engage in operations.

b. Critical Business. Any business, including any for profit or non-profit, regardless of its corporate structure, engaged in any of the commercial, manufacturing, or service activities listed in Appendix F, must continue to comply with the guidance and directives for maintaining a clean and safe work environment issued by the CDPHE and CCPH.

c. Critical Government Functions. The provision, operation and support of the following government functions shall continue:
i. Public safety (police stations, fire and rescue stations, correctional institutions, emergency vehicle and equipment storage, and, emergency operation centers);

ii. Emergency response;

iii. Judicial branch operations, including attorneys if necessary for ongoing trials and required court appearances, unless appearances can be done remotely;

iv. Legislative and executive branch functions;

v. Emergency medical (hospitals, ambulance service centers, urgent care centers having emergency treatment functions, and non-ambulatory surgical structures but excluding clinics, doctors’ offices, and non-urgent care medical structures that do not provide these functions);

vi. Designated emergency shelters;

vii. Communications (main hubs for telephone, broadcasting equipment for cable systems, satellite dish systems, cellular systems, television, radio, and other emergency warning systems, but excluding towers, poles, lines, cables, and conduits);

viii. Public utility plant facilities for generation and distribution (drinking water and wastewater infrastructure, hubs, treatment plants, substations and pumping stations for water, power and gas, but not including towers, poles, power lines, and oil and gas buried pipelines);

ix. Transportation. All public and private airports, airlines, taxis, transportation network providers (such as Uber and Lyft), vehicle rental services, paratransit, and other private, public, and commercial transportation and logistics providers necessary for **Necessary Activities**;

x. Transportation infrastructure (aviation control towers, air traffic control centers, and emergency equipment aircraft hangars), critical road construction and maintenance;

xi. Hazardous material safety;

xii. Services to at-risk populations and **Vulnerable Individuals**;

xiii. Activities related to federal, state, and local elections, including any required acts of a political party, provided **Social Distancing Requirements** are observed to the greatest extent possible;

xiv. Any government service required for the public health and safety, government functionality, or vital to restoring normal services.

xv. Election operations, including but not limited to election judges, signature gatherers/circulators, campaign workers and volunteers.

d. **Field Services** means a service that is being provided out in the field as opposed to a company property, including third party private properties, such as a third-party household.

e. **Gym** means a building or room used for indoor sports or exercise, such as fitness, dance, exercise or group classes, exercise studios and centers, recreation centers, pools, and other indoor athletic facilities.
f. **Minimum Basic Operations.** The minimum necessary activities to (1) maintain the value of the business's inventory, ensure security, process payroll and employee benefits, or for related functions; or (2) facilitate employees of the business being able to continue to work remotely from their residences or continue filling online product orders and to process customer order remotely are allowable pursuant to this Order.

g. **Non-Critical Office-Based Business** means any commercial business that is conducted in an office and not a production environment and is not included in the list of **Critical Businesses** in Appendix F.

h. **Non-Critical Retail** means any retail service that is not included in the list of critical retail services in Appendix F. Examples of Non-Critical Retail include retailers of clothing, home goods, cell phone stores, mattresses, appliances, thrift shops, apothecaries, vape and tobacco shops, craft, hobby and fabric stores, fishing tackle retailers, sporting goods, boutiques, etc.

i. **Limited Healthcare Settings** means those locations where certain healthcare services are provided, including acupuncture (not related to personal services), athletic training (not related to personal services), audiology services, services by hearing aid providers, chiropractic care, massage therapy (not related to personal services), naturopathic care, occupational therapy services, optometry services, podiatry services, physical therapy, and speech language pathology services.

j. **Necessary Activities.** For purposes of this Order, individuals are encouraged to only leave their residence only to perform any of the following **Necessary Activities**, provided they comply at all times and to the greatest extent possible with Social Distancing Requirements below. People at high risk of severe illness from COVID-19 and people who are sick with COVID-19, however, must not leave their residence except as necessary to receive medical care, and must not go to work, even for a Critical Business. Necessary Activities include:

   i. Engaging in activities or perform tasks essential to their health and safety, or to the health and safety of their family or household members, including, but not limited to, pets and livestock, such as, by way of example only and without limitation, obtaining medical supplies, walking your dog, feeding barnyard animals, obtaining durable medical equipment, obtaining medication, visiting a healthcare professional, or obtaining supplies they need to work from home.

   ii. Obtaining necessary services or supplies for themselves and their family or household members, or to deliver those services or supplies to others, such as, by way of example only and without limitation, food, pet supply, other household consumer products, and products or equipment necessary to maintain the safety, sanitation, and essential operation of a residence.

   iii. Engaging in outdoor activity, such as, by way of example and without limitation, walking, hiking, Nordic skiing, snowshoeing, biking or running. For purposes of outdoor activity, parks will remain open to the public to engage in walking, hiking, biking, running, and similar outdoor activities. Playgrounds, picnic areas, tennis courts, basketball courts and other similar areas
conducive to public gathering, and attended areas may be open for use for no more than ten people at a time. High touch areas should be cleaned and disinfected frequently (see Exhibit J). Recreational facilities and outdoor activities are deemed Necessary Activities, subject to Exhibit J, below.

iv. Performing work providing for businesses, government entities, and industries authorized to carry out activities permitted in this Order.

v. Caring for a family member, a Vulnerable Individual, or pet in another household, or to care for livestock kept at a location other than an individual’s residence.

k. Necessary Travel. For purposes of this Order, travel is Necessary for any of the following purposes: (1) providing or accessing Necessary Activities for businesses or industries authorized to operate in Section II of this Order or providing or accessing Minimum Basic Operations; (2) receiving materials for distance learning, for receiving meals, and any other related services from educational institutions; (3) returning to a place of residence from outside the jurisdiction; (4) travel required by law enforcement or court order; (5) travel to transport children between separate households pursuant to a parenting plan or other agreement governing parental responsibilities; (6) non-residents returning to their place of residence; (7) moving to a new residence, including individuals whose residence is unsafe due to domestic violence concerns.

l. Personal Services means services and products that are not necessary to maintain an individual’s health or safety, or the sanitation or essential operation of a business or residence. Personal Services include, but are not limited to, pastoral services except as specified in Appendix F, personal training, dog grooming, or body art and also applies to noncritical professionals regulated by the Division of Professions and Occupations, within the Department of Regulatory Agencies (DORA) including but not limited to services provided by personal beauty professionals such as hairstylists, barbers, cosmetologists, estheticians, nail technicians, as well as massage therapists, whose work requires these professionals to be less than six feet from the person for whom the services are being provided. Massage therapy services ordered by a healthcare professional should consult Executive Order D 2020 027.

m. Safer at Home means individuals stay in your place of residence as much as possible, and avoid unnecessary social interactions.

n. Social Distancing Requirements. To reduce the risk of disease transmission, individuals shall maintain at least a six-foot distance from other individuals, wash hands with soap and water for at least twenty seconds as frequently as possible or use hand sanitizer, cover coughs or sneezes (into the sleeve or elbow, not hands), regularly clean high-touch surfaces, and not shake hands.

o. Stay at Home means to stay in your place of residence, which includes use of hotels, motels, and shared rental facilities that are permitted and consistent with this Order, and not leave unless necessary to provide, support, perform, or operate Necessary Activities, Minimum Basic Operations, Critical Government Functions, and Critical Businesses.

p. Vulnerable Individual means:

i. Individuals who are 65 years and older;
ii. Individuals with chronic lung disease or moderate to severe asthma;
iii. Individuals who have serious heart conditions;
iv. Individuals who are immunocompromised;
v. Pregnant women; and
vi. Individuals determined to be high risk by a licensed healthcare provider.

4. Chaffee County is tasked with protecting the health and welfare of the citizens of Chaffee County, Colorado by investigating and controlling the causes of epidemic and communicable disease. This Order is necessary to control any potential transmission of disease to others. See section 25-1-508, Colorado Revised Statutes. Immediate issuance of this Order is necessary for the preservation of public health, safety, or welfare.

5. Any person aggrieved and affected by this Order has the right to request judicial review by filing an action with the Chaffee County District Court within 90 days of the date of this Order, pursuant to section 25-1-515, Colorado Revised Statutes. However, you must continue to obey the terms of this Order while your request for review is pending.

6. If any provision of this Order to the application thereof to any person or circumstance is held to be invalid, the reminder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

7. This Order is in effect and will continue to be in effect until midnight Mountain time July 3, 2020, unless extended, rescinded, superseded, or amended in writing.

8. **FAILURE TO COMPLY WITH THIS ORDER IS SUBJECT TO THE PENALTIES CONTAINED IN SECTIONS 25-1-516 AND 18-1.3-501, COLORADO REVISED STATUTES, INCLUDING A FINE OF UP TO FIVE THOUSAND (5,000) DOLLARS AND IMPRISONMENT IN THE COUNTY JAIL FOR UP TO EIGHTEEN MONTHS.**

Andrea Carlstrom  
Date: 6.5.20

STATE OF COLORADO, CHAFFEE COUNTY  
ATTEST:

______________________________  
Chaffee County Clerk
I. **Curbside Service.** In addition to meeting the requirements of this Order, and specifically Section 2.n, **Non-Critical Retail** may operate and offer goods through delivery service, window service, walk-up service, drive-through service, drive-up service, curbside delivery, or any other manner allowing for strict compliance with mandatory **Social Distancing Requirements**, except as prohibited or limited by this Order. Restricting interactions to curbside pick-up or delivery minimizes touch. **Non-Critical Retailers** are encouraged to continue curbside pick-up or delivery for longer term service wherever possible. **Critical** and **Non-Critical Retailers** must implement the requirements in Section 2.n, in addition to the specific requirements in this Appendix.

A. **Critical** and **Non-Critical Retail** must implement the following measures within the workplace to minimize disease transmission:

1. Elevate and increase frequency of cleaning practices, including cleaning and disinfection of high touch areas.
2. Restrict return policy to only items that can be properly sanitized prior to re-selling.
3. Conduct daily temperature checks and monitor symptoms in employees, logging all results. Refer symptomatic employees to the CDPHE Symptom Tracker.
4. Post signage for employees and customers on good hygiene and other sanitation practices.

B. **Critical** and **Non-Critical Retail** must implement the following measures regarding employees to minimize disease transmission:

1. Provide guidance and encouragement on maintaining 6-foot distancing between both employers and employees and customers.
2. Provide appropriate face coverings that cover the mouth and nose and gloves to all employees, and also allow employees who can to provide their own appropriate face coverings and gloves for work activities. Employees without face coverings shall not perform tasks that require engagement with the public or with other coworkers or come into contact with high-touch surfaces. In order to ensure staff can take off their face coverings for meals and breaks, scheduling and location for meals and breaks should ensure that at least a 6-foot distance can be maintained between staff when staff needs to remove their face covering.
3. Encourage frequent breaks to allow employees to wash or sanitize their hands.
4. Require employees to stay home when showing any symptoms or signs of sickness.
5. Provide personal protective equipment (PPE) for employees who are managing deliveries, returns, etc.
C. Employers must implement the following measures regarding customers to minimize disease transmission:
   1. Require 6-foot distancing measures wherever possible, such as marked space in pickup lines.

II. In-Person Service. Non-Critical Retail may open at fifty percent (50%) capacity for in-person services if the business can demonstrate compliance with all of the following requirements:

A. Critical and Non-Critical Retail must continue implementing the measures within the workplace listed in Section I.A of this Appendix A, and in addition:
   1. maintain 6-foot distancing between patrons and employees;
   2. effectively symptom monitor employees as listed in Section I.A.3;
   3. require and provide face coverings that cover the mouth and nose and, if feasible, gloves; in order to ensure staff can take off their face coverings for meals and breaks, scheduling and location for meals and breaks should ensure that at least a 6-foot distance can be maintained between staff when staff needs to remove their face covering.
   4. ensure ability to adequately clean and disinfect both back-room and retail spaces; and
   5. provide dedicated, in-store hours for vulnerable or at-risk individuals.

B. Critical and Non-Critical Retail must implement the measures regarding employees listed in Section I.B of this Appendix A.

C. Critical and Non-Critical Retail must implement the measures to minimize disease transmission for customers listed in Section I.C of this Appendix A in addition to the following measures:
   1. limit the number of customers on the premises as needed to make 6-foot distancing between customers attainable;
   2. provide decals and demarcation for waiting area in lines that meet social distancing criteria;
   3. create signage encouraging vulnerable and at-risk individuals to refrain from shopping outside of dedicated hours set aside for those who are more vulnerable or at-risk;
   4. require the use of face coverings by all customers and patrons, except face coverings are not required for individuals with a documented medical condition that prohibits an individual from wearing a mask;
   5. refuse service to all customers and patrons who do not wear face coverings, except face coverings are not required for individuals with a documented medical condition that prohibits an individual from wearing a mask;
6. create signage requiring the use of face coverings and encouraging the use of gloves by customers while on the premises; and
7. provide hand sanitizer and wipes at entrances and other high-traffic locations to the greatest extent possible.
I. **Field Services** may resume if the business can demonstrate compliance with the requirements in Section 2.n of this Order, in addition to the following requirements specific to **Field Services**:

A. Employers must implement the following measures regarding employees to minimize disease transmission:

1. adhere to all general rules or guidance on social gathering limitations when working out of the office;
2. implement procedures for field-based employees to monitor for symptoms and report-in to management daily on health status.
3. comply with the **Social Distancing Requirements** and maintain a 6-foot distance between employees and from their customers;
4. provide gloves and face covers, covering the mouth and nose, for any customer interactions or work being done in third-party home or office spaces;
5. When scheduling or conducting field services, either the employer or an employee must inquire whether third-party homes have individuals symptomatic for COVID-19 or have been in contact with known positive cases, and exercise caution when inside the home and interacting with anyone in the home if they do;
6. maintain a detailed log of customer interactions to enable contact tracing if it becomes necessary. The log should include name, date, and location of contact, as well as the contact’s phone number and/or email address;
7. require that all tools or equipment be sanitized after each customer visit;
8. prioritize work accommodations for **Vulnerable Individuals**, prioritizing telecommuting;
9. provide guidance and encouragement on personal sanitation, including frequently washing hands. This guidance should include all of the following:
   a. frequently and thoroughly wash your hands with soap and water for at least 20 seconds; if soap and water are not available, use hand sanitizer with at least 60% alcohol;
   b. cover coughs and sneezes with a tissue, then throw the tissue in the trash, or use your inner elbow or sleeve;
   c. avoid touching your eyes, nose, and mouth with unwashed hands;
   d. stay home if you’re sick, and keep your children home if they are sick; and
   e. clean high touch surfaces in your home, and personal items such as cell phones, using regular household products.
B. Employers must implement the following measures regarding customers to minimize disease transmission:

1. provide estimates, invoices, receipts, and other documentation electronically to negate the need for paper;
2. provide contactless payment options in the field whenever possible;
3. encourage customers to maintain 6-foot distancing from field service employees; and
4. require customers to use facial coverings when field services are being conducted, except face coverings are not required for individuals with a documented medical condition that prohibits an individual from wearing a mask.
APPENDIX C: NON-CRITICAL OFFICE-BASED BUSINESSES REQUIREMENTS
CCPH Order 2020-07

I. **Non-Critical Office-based Businesses** may resume at fifty percent (50%) of their in-office occupancy if the business can demonstrate compliance with the requirements of this Order, including Section 2.n, and all of the following:

   A. Employers must implement the following measures within the workplace to minimize disease transmission:
      1. ensure a minimum of 6 feet of space between all desks and workspaces;
      2. modify the flow of people traffic to minimize contacts, such as identifying doors for entry or exit only;
      3. conduct standard office cleaning with increased frequency and supplement with sanitization of high touch areas, in accord with CDPHE guidelines;
      4. provide employees with cleaning and disinfecting products and guidance on daily workspace cleaning routines; and
      5. post signage for employees and customers on good hygiene and new office practices.

   B. Employers must implement the following measures regarding employees to minimize disease transmission:
      1. maintain in-office occupancy at no more than 50% of total by maximizing use of telecommuting and developing in-office rotation schedules;
      2. minimize the number of in-person meetings and maintain 6-foot distancing in those meetings;
      3. provide guidance and encouragement on maintaining 6-foot distancing and taking breaks to wash hands;
      4. require employees wear face coverings that cover the mouth and nose, and require gloves for any customer interactions; face coverings may be removed when social distancing of at least 6 feet (e.g., after entering a private office); in order to ensure staff can take off their face coverings for meals and breaks, scheduling and location for meals and breaks should ensure that at least a 6-foot distance can be maintained between staff when staff needs to remove their face covering; and
      5. allow telecommuting to the greatest extent possible.

   C. Employers must implement the following measures regarding customers to minimize disease transmission:
      1. require 6-foot distancing measures wherever possible, such as marked space in check-out lines;
      2. require customers to use facial coverings when on the business premises;
      3. refuse service to customers who do not wear face coverings, except face coverings are not required for individuals with a documented medical condition that prohibits an individual from wearing a mask;
      4. provide hand sanitizer at entrances and other high-traffic locations; and
5. implement hours where service is only provided to Vulnerable Individuals if possible.
APPENDIX D: PERSONAL SERVICES REQUIREMENTS
CCPH Order 2020-7

I. Personal Services may only be performed at 50% of the posted occupancy limit not to exceed 50 people in a common business space. Personal Services may resume if the business can demonstrate compliance with the requirements of this Order, including Section 2.n, and all of the following:

A. Employers and sole proprietors must implement the following measures within the workplace to minimize disease transmission:
   1. Employ strict hygiene guidelines and cleaning and disinfection procedures for all contact surfaces and tools, in accordance with CDPHE Worker and Customer Protection Guidelines for Non-Healthcare Industries;
   2. Ensure a minimum of 6 feet of separation between clients and customers, including services for pets, when not directly performing service;
   3. Post signage for employees and customers on good hygiene and safety measures being taken; and
   4. Minimize in-home and in-facility services with remote alternatives whenever possible, such as drive-by services or virtual meetings.

B. Employers must implement the following measures regarding employees to minimize disease transmission:
   1. Services with close personal contact, such as beauty professionals, massage, etc., must implement the following:
      a. wear a face covering and gloves at all times, or, if wearing gloves is not feasible or appropriate, meticulous hand washing;
      c. change gloves and wash hands between every individual or pet served;
      d. clean and disinfect all shared equipment and tools between every individual or pet served; and
      e. maintain a detailed log of customer interactions to enable contact tracing if it becomes necessary. The log should include name, date, details of services performed, and location of contact, as well as the contact’s phone number and/or email address.

   2. Personal services with low personal contact, such as movers or repair services, must implement the following:
      a. maintain a minimum of 6 feet of separation between customers and adhere to social gathering limits of no more than 10 people. For real estate work, open houses are prohibited;
      b. require use of gloves when feasible and require face coverings that cover the nose and mouth; and
      c. provide guidance on strict hygiene precautions to employees.
C. **Personal Services** must implement the following measures regarding customers to minimize disease transmission:

1. provide customer services by appointment only, do not allow walk-ins or waiting for an appointment, and limit all pet training classes or other activities associated with picking up pets to no more than 10 customers at a time and all following **Social Distancing Requirements**;

2. require customers to wear face coverings that cover the mouth and nose; if a customer does not have a face covering, a "disposable mask" could be provided;

3. refuse service to customers who do not wear face coverings, except face coverings are not required for individuals with a documented medical condition that prohibits an individual from wearing a mask;

4. conduct symptoms check for all customers of services with close personal contact and decline to provide services to anyone who has symptoms. A sample form can be found [here](#); and

5. provide contactless payment options whenever possible.
I. Limited Healthcare services may only be performed with 10 or fewer people in a single location at a maximum of 50% occupancy for the location, whichever is less, including both employees and patients, e.g. 5 chiropractors providing services to 5 customers. Limited Healthcare Settings may resume if the healthcare entity can demonstrate compliance with the requirements of this Order, including Section 2.n and may restart voluntary and elective surgeries and procedures in limited healthcare facilities and offices with required personal protective equipment (PPE) in accord with the priorities, requirements, and specific criteria below.

A. Employers and sole proprietors of Limited Healthcare Settings must implement the following measures within the overall workplace, including administrative and front office operations, to minimize disease transmission:
   1. The practice must have access to adequate PPE in order to sustain recommended
      PPE use for its workforce for two weeks without the need for emergency
      PPE-conserving measures. If a practice proposes to extend the use of or reuse
      PPE, it must follow CDC guidance.1
   2. The practice must implement strict infection control policies as recommended
      by the CDC.2
   3. The practice must ensure a minimum of 6 feet of separation between clients
      and patients, when not directly performing service, with no more than 10
      people in the facility;
   4. The practice must post signage for employees and patients on good hygiene
      and safety measures being taken; and
   5. The practice must minimize in-home and in-facility services with remote
      alternatives whenever possible, such as drive-by services or virtual
      meetings.
   6. Practices must maintain a plan to reduce or stop voluntary and elective
      surgeries and procedures should a surge/resurgence of COVID-19 cases
      occur in their region.

B. Employers of Limited Healthcare Settings must implement the following measures regarding employees to minimize disease transmission:
   1. Services with close, direct personal contact must implement the following:
      a. wear medical grade mask and gloves at all times;
      b. change gloves and wash hands between every patient;
      c. clean and disinfect all shared equipment and tools between every
         patient;
      and

---
d. maintain a detailed log of patient interactions to enable contact tracing if it becomes necessary. The log should include name, date, details of services performed, and location of contact, as well as the contact’s phone number

2. Services with low personal contact must implement the following:
   a. maintain a minimum of six 6 feet of separation between customers and limit to no more than 10 people in the facility.
   b. require face coverings that cover the mouth and nose and, if feasible, gloves for any customer interactions; and
   c. provide guidance on strict hygiene precautions to employees.

3. The practice must require all administrative personnel to wear a face covering, covering the mouth and nose, that can be cloth if necessary. Face coverings may be removed when social distancing of at least 6 feet (e.g., after entering a private office). In order to ensure staff can take off their face coverings for meals and breaks, scheduling and location for meals and breaks should ensure that at least a 6-foot distance can be maintained between staff when staff needs to remove their face covering. It is important for healthcare settings to emphasize that hand hygiene is essential to maintaining employee safety, even if staff are wearing masks. If the face covering is touched, adjusted or removed, hand hygiene should be performed.

C. **Limited Healthcare Settings** must implement the following measures regarding customers to minimize disease transmission:

   1. The practice must provide services by appointment only, do not allow walk-ins or waiting for an appointment.
   2. The practice must require patients to wear face coverings; if a patient does not have a face covering, a "disposable medical mask" could be provided.
   3. The practice must refuse service to customers who do not wear face coverings, except face coverings are not required for individuals with a documented medical condition that prohibits an individual from wearing a mask;
   4. The practice must conduct symptoms checks for all patients, decline to provide services to anyone who has symptoms, and refer them to their primary care physician.
   5. The practice must provide contactless payment options whenever possible;
   6. The practice must follow social distancing protocols of maintaining at least a 6-foot distance between individuals wherever possible such as in waiting rooms and other small spaces, and should use physical barriers within patient care areas when possible.
   7. The practice must appropriately schedule patients, so that providers have sufficient time to change PPE and ensure rooms and equipment can be cleaned and disinfected between each patient.
   8. The practice should continue to maximize the use of telehealth and virtual office or clinic visits.
9. The practice should use virtual waiting rooms when possible, with patients who are able to wait in their cars not entering the office until they can be moved immediately to an exam room.

10. The practice should implement source control for everyone entering the office or clinic, including requiring all patients and visitors to wear a face cover, covering the mouth and nose when entering any healthcare building, and if they arrive without a face cover, one should be provided.

D. As best practice, it is recommended that once voluntary and elective surgeries and procedures resume, **Limited Healthcare Settings** reassess their operations every two weeks, in order to ensure:

1. All of the above approaches and criteria are being met;
2. Procedures are prioritized based on whether their continued delay will have an adverse health outcome.
   a. Voluntary and elective surgeries and procedures should be prioritized based on indication and urgency\(^3\);
3. Strong consideration is given to the balance of risks versus benefits for patients in higher-risk groups such as those over age 65 and those with compromised immune systems or lung and heart function;
4. All patients are pre-screened for COVID-19 risk factors and symptoms prior to delivering care, via telehealth when applicable; and
5. Compliance with the guidance and directives for maintaining a clean and safe work environment issued by the CDPHE and any applicable local health department for critical businesses is maintained, including compliance with **Social Distancing Requirements** and all public health orders currently in effect to the greatest extent possible.

\(^3\) Urgent and emergent care should continue in accordance with OHA and CMS guidance.
APPENDIX F: CRITICAL BUSINESSES
CCPH Order 2020-07

Critical Businesses do NOT include health clubs as defined in C.R.S. § 6-1-102(4.6), fitness and exercise gyms, and similar facilities, or any of the other businesses required to close by CDPHE’s State Public Health Order 20-22, such as bars, taverns, pubs, cigar bars theaters, and concert halls.

“Critical Business” means:

1. Healthcare Operations, Including:
   - Hospitals, clinics, and walk-in health facilities
   - Medical and dental care, including ambulatory providers
   - Research and laboratory services
   - Medical wholesale and distribution
   - Home health care companies, workers and aides
   - Pharmacies
   - Pharmaceutical and biotechnology companies
   - Behavioral health care providers
   - Veterinary care and livestock services
   - Nursing homes, residential health care, or congregate care facilities
   - Medical supplies and equipment manufacturers and providers, including durable medical equipment technicians and suppliers
   - Blood banks

2. Critical Infrastructure, Including:
   - Utilities and electricity, including generation, transmission, distribution and fuel supply
   - Road and railways
   - Oil and gas extraction, production, refining, storage, transport and distribution
   - Public water and wastewater
   - Telecommunications and data centers
   - Transportation and infrastructure necessary to support critical businesses
   - Hotels and motels, subject to the phase-in described in 2.a.v, above.
   - Businesses and organizations that provide food, shelter, social services, and other necessities of life for economically disadvantaged, persons with access and functional needs, or otherwise needy individuals
   - Food and plant cultivation, including farming crops, livestock, food processing and manufacturing, animal feed and feed products, rendering, commodity sales, and any other work critical to the operation of any component of the food supply chain
   - Any business that produces products critical or incidental to the construction or operation of the categories of products included in this subsection

3. Critical Manufacturing, Including:
   - Food processing, manufacturing agents, including all foods and beverages
- Chemicals
- Computers and computer components
- Medical equipment, components used in any medical device, supplies or instruments
- Pharmaceuticals
- Sanitary products
- Telecommunications
- Microelectronics/semiconductor
- Agriculture/farms
- Household paper products
- Any business that produces products critical or incidental to the processing, functioning, development, manufacture, packaging, or delivery of any of the categories of products included in this subsection
- Any manufacturing necessary to support a Critical Business

4. Critical Retail, Including:
- Grocery stores including all food and beverage stores
- Farm and produce stands
- Gas stations and convenience stores
- Restaurants and bars (for take-out/delivery only as necessary under State Executive Order 2020 011 and State Public Health Order 20-22, as amended)
- Marijuana dispensary (only for the sale of medical marijuana or curbside delivery pursuant to State Executive Order 2020 011)
- Liquor stores
- Pet stores for pet food and supplies
- Firearms stores
- Hardware, farm supply, and building material stores
- Establishments engaged in the retail sale of food and any other essential household consumer products (such as cleaning and personal care products), excluding retailers of only health and nutrition-related products (vitamins, minerals, supplements, herbs, sports nutrition, diet and energy products)

5. Critical Services, Including:
- Trash, compost, and recycling collection, processing and disposal
- Mail and shipping services, and locations that offer P.O. boxes
- Self-serve laundromats and garment and linen cleaning services for critical businesses
- Building cleaning and maintenance
- Child care services
- Bicycle-shops for the sole purpose of supplying repair parts and repairing and maintenance of bicycles but not including retail sales or rental of bicycles and equipment for leisure use. Bicycle shops must follow Social Distance Requirements and establish when possible curb-side service
- Automobile rental, auto supply and repair (including retail dealerships that include repair and maintenance, but not retail sales)
- Warehouse/distribution and fulfillment, including freight distributors
• Funeral homes, crematoriums, and cemeteries with strict compliance with Social Distancing Requirements for employees and any attendees of services
• In-person pastoral services for individuals who are in crisis or in need of end of life services provided Social Distancing Requirements are observed to the greatest extent possible. Places of worship may remain open; services are limited to 10 or fewer congregants and Social Distancing Requirements are required and the use of electronic platforms to conduct services whenever possible is encouraged (places of worship are allowed to increase the number of participants, if they choose, but such opening will be allowed only if such places meet the requirements of Section 2.n, above, Appendix H of this Order and any applicable state guidance. Such places must also obtain a Certificate of Safety, as described in 3.a, above), by June 15, 2020)
• Storage for Critical Businesses
• Animal shelters, animal boarding services, animal rescues, zoological facilities, animal sanctuaries, and other related facilities, excluding pet grooming

6. News Media
   • Newspapers
   • Television
   • Radio
   • Other media services

7. Financial Institutions, Including:
   • Banks and credit institutions
   • Insurance, payroll, and accounting services
   • Services related to financial markets
   • Professional services, such as legal, title companies, or accounting services, real estate appraisals and transactions.

8. Providers of Basic Necessities to Economically Disadvantaged Populations, Including:
   • Homeless shelters and congregate care facilities
   • Food banks
   • Human services providers whose function includes the direct care of patients in State-licensed or funded voluntary programs; the care, protection, custody and oversight of individuals both in the community and in State-licensed residential facilities; those operating community shelters and other critical human services agencies providing direct care or support

9. Essential Construction:
   • All construction that requires a permit through the Chaffee County Building Department is deemed Essential Construction. All other construction is deemed Non-Essential Construction and must immediately shut down except for Non-Essential Emergency Construction, which is necessary to protect the health and safety of the occupants or to continue a project until it is safe to shut the site down.
All Essential Construction may continue only if the Essential Construction site registers the work site with the Chaffee County Building Department and follows and implements CCPH’s COVID-19 work site safety requirements. Essential Construction sites that violate this Order will be immediately shut-down and penalties may be imposed under this Order.

Essential Construction includes any construction project not requiring a building permit, which is necessary to protect the health and safety of a Critical Business.

For the purpose of this section Non-Essential Construction does not include a single worker, who are the sole employee/worker on a job site, or members of a common household engaged in at-home (owner occupied) construction projects.

On a case-by-case basis, Non-Essential Construction may be allowed by CCPH and would be subject to same requirements as an Essential Construction.

10. Defense
- Defense, security, and intelligence-related operations supporting the State of Colorado, local government, the U.S. Government or a contractor for any of the foregoing
- Aerospace operations
- Military operations and personnel
- Defense suppliers

11. Critical Services Necessary to Maintain the Safety, Sanitation and Critical Operations of Residences or Other Critical Businesses, Including:
- Law enforcement
- Fire prevention and response
- Building code enforcement
- Security
- Emergency management and response
- Building cleaners or janitors
- General maintenance whether employed by the entity directly or a vendor
- Automotive repair
- Disinfection
- Snow removal
- Landscape services that are related to general maintenance and repair

12. Vendors that Provide Critical Services or Products, Including Logistics and Technology Support, Child Care and Services:
- Logistics
- Technology support for online and telephone services
- Child care programs and services
- Government owned or leased buildings
- Critical Government Functions
13. **Education Institution that Provide Critical Services to Students and the General Public:**
   - K-12 public school and private schools for the purposes of providing meals, housing, facilities or providing materials for distance learning, and providing other essential services to students, provided that **Social Distancing Requirements** are observed.
   - Postsecondary institutions, including private and public colleges and universities, for the purpose of facilitating distance learning or performing essential functions, provided that **Social Distancing Requirements** are observed, such as security, medical and mental health services, housing, food services and critical research.
CCPH Order 2020-07

Restaurants are encouraged to continue to do business through take-out, delivery and curbside pickup. If restaurants so choose, they can provide limited dine-in service. Restaurants must take the necessary time to ensure each of the following is adequately addressed before opening to the public.

- Limit number of customer seating capacity and/or make creative use of outdoor or indoor seating. CCPH will be assessing capacity every 2 weeks to determine impact on health.
- Indoor seating capacity shall not exceed 50% of seating capacity, not to exceed 50 people, whichever is lower.
- Tables shall be spaced at least 6 feet apart.
- Encourage establishments to strategize ways to maximize outdoor seating while exercising social distancing with municipalities. Bars are closed for the sole purpose of patrons obtaining alcohol service but may be used for tableside food service for guests if all requirements are followed.
- Do not allow customers to wait in the lobby area or lines outside of the door. Implement a reservation system, notify customers via text/call when their table is ready.
- Provide handwashing stations or sanitizer for all customers.
- Post signs at entrances regarding face coverings, and post signs throughout the facility as needed to remind customers of social distancing and proper hygiene. It is recommended that the sign posted at the door is the CDC sign (also available in Spanish) [https://www.cdc.gov/coronavirus/2019-ncov/downloads/316129-B-StayHomeFromWork_Poster.pdf](https://www.cdc.gov/coronavirus/2019-ncov/downloads/316129-B-StayHomeFromWork_Poster.pdf).
- Require customers to wear cloth face coverings in order to enter the business and keep them in place until they have reached their table.
- Make reasonable accommodations for vulnerable populations who are still under the Stay at Home advisement. (e.g. seating assistance, special hours).
- Ask customers if they are experiencing any symptoms prior to entering, and do not allow them to enter if they are.
- Group parties shall be limited to 10.
- Bars are to remain closed, including those that are part of a restaurant. Tasting rooms of breweries, wineries, and distilleries may open under the same restrictions as restaurants.
- Implement one-way entry/exit and directional walkways as much as possible.
- In-room dining shall follow strict physical distancing practices. Tables shall be spaced at a distance that allows for customers to remain safe.
- Self-service stations shall remain closed (drinking stations, bulk dry, etc.)
- Don’t allow public sharing of utensils or condiment containers.
- Buffets shall have an employee serving the food, no self-service is to be allowed.
- Perform environmental cleaning and disinfection of bathrooms and high touch surfaces every 2 hours and maintain a cleaning log.
- Staff handling dirty dishes must wear gloves and an apron (voluntary).
- Staff must wash and/or sanitize their hands between each customer.
- Monitor employees for (one of) the following symptoms:
  - Cough
  - Shortness of breath/difficulty breathing
  - Or two or more of the following symptoms:
Fever
Chills
Repeated shaking with Chills
Muscle Pain
Headache
Sore throat
New loss of taste or smell

**Symptomatic employees MUST be excluded from the workplace**

- Employees and contracted workers shall be required to wear a non-medical cloth face covering over the nose and mouth. Individuals who cannot wear a mask shall not be permitted to work at this time.
- Implement or maintain physical barriers for high-contact settings (e.g. Cashiers)
- Implement touchless payment methods where possible.
- Stagger shifts if feasible to decrease employee numbers at the business.
- Businesses reserve the right to accept/decline customers based on their comfort level with the above.
APPENDIX H: PLACES OF WORSHIP

CCPH Order 2020-07

Places of worship are encouraged to implement electronic platforms to conduct services whenever possible or to conduct more frequent services of 10 people or less to allow for compliance with Social Distancing Requirements. Places of worship may open in accordance with the guidelines in CDPHE Fifth Amended Order 20-28.
APPENDIX I: GYMS, HEALTH CLUBS, AND OTHER SIMILAR FITNESS FACILITIES
CCPH Order 2020-07

Gyms, health clubs, and other similar fitness facilities shall be able to open their facilities for limited use. Fitness facilities that choose to open under limited use must do so under the following guidelines:

- Limit the number of guests/members to 30% of fire/building capacity.
- Do not allow members to wait in lobby or in lines outside of the doors.
- Guests/Members must wear a face covering while using the facility, when physically possible.
- Post signs at entrances regarding face coverings, and post signs throughout the facility as needed to remind guests of social distancing and proper hygiene.
- Make reasonable accommodations for vulnerable populations who are still under the Safer at Home advisement. (e.g. assistance with equipment cleaning, special hours).
- All guests/members and staff must practice good hand hygiene, either hand washing or sanitizer.
- Guests/members must be asked about symptoms before entering and entry should be declined if they are symptomatic.
- Implement one-way entry/exit and directional walkways as much as possible.
- Spread people out so that there is at least a 10-foot social distance between individuals throughout the facility.
- Sharing of equipment must be prohibited. Use of equipment in the fitness center must be limited to no closer than every other machine so that participants are not exercising right next to each other and smaller exercise rooms with poor ventilation should be discouraged from use.
- An employee must be required to disinfect equipment after every use.
- Perform environmental cleaning and disinfection of bathrooms and high touch surfaces every 2 hours and maintain a cleaning log.
- Monitor employees for one of the following symptoms:
  - Cough
  - Shortness of breath/difficulty breathing
  - Or two or more of the following symptoms:
  - Fever
  - Chills
  - Repeated shaking with Chills
  - Muscle Pain
  - Headache
  - Sore throat
  - New loss of taste or smell

**Symptomatic employees MUST be excluded from the workplace**

- Employees shall be required to wear a non-medical cloth face covering over the nose and mouth and any person that cannot wear a mask shall not be permitted to work at this time.
- Personal training is allowed while strictly adhering to social distancing guidelines and limited to 4 people, plus the instructor.
- Group classes are not allowed
- Sport courts are to remain closed
- Locker rooms must remain closed
- Saunas, locker rooms, changing rooms, waiting areas, etc. must remain closed
- On-site childcare facilities must remain closed
Local recreational facilities can be open to the public under the following guidelines and the Guidelines set out in Appendix K of the CDPHE Fifth Amended Order 20-28 (Chaffee County or any municipality can enact stricter orders as seen fit.) Prior to opening, outdoor recreation facilities shall submit a plan for reopening demonstrating how they will implement social distancing and other best practice disease control measures to the CCPH for review and approval.

- Group gatherings must be kept to 10 people or less.
- Swim beachesand splash pads may be open for use for no more than 10 people at a time. High touch areas should be cleaned and disinfected frequently.
- Organized recreational youth or adult league sports may resume activities with no more than 25 players outdoors or 10 players indoors. Parents may attend youth sports activities but must remain 6 feet apart from non-household members. Spectators are strongly discouraged for adult sports. The sports league must retain records of who played in case later disease outbreak investigations become necessary.
- Spaces that enable social distancing such as trails, green space, tennis courts and golf course may be open for use.
- Golfers must maintain physical distance of 6 feet at all times.
- Motorized golf carts shall contain no more than one person, although members of the same household may ride together in the same cart.
- Golfers shall avoid sharing clubs and golf balls.
- Golf carts and rented/borrowed equipment must be cleaned between uses.
- Physical distancing should be maintained in outdoor settings (6 feet while hiking, 15 feet while running or biking)
- Outdoor recreation facilities may remain open when adequate controls are able to be implemented to ensure 6-foot social distancing.
- Monitor employees and volunteers for one of the following symptoms:
  - Cough
  - Shortness of breath/difficulty breathing
  - Or two or more of the following symptoms:
  - Fever
  - Chills
  - Repeated shaking with Chills
  - Muscle Pain
  - Headache
  - Sore throat
  - New loss of taste or smell

**Symptomatic employees MUST be excluded from the workplace**

- Employees shall be required to wear a non-medical cloth face covering over the nose and mouth, individuals that cannot wear a mask shall not be permitted to work at this time.
- Perform environmental cleaning and disinfection of bathrooms and high touch surfaces every 2 hours and maintain a cleaning log.
- Privately owned campgrounds and RV parks may be open for use if they can strictly adhere to social distancing guidelines. Groups must be limited to ten people. All group facilities must remain closed with the exception of bathrooms and showers which must be cleaned every 2 hours and have a maintained cleaning log. Camp
grounds/RV parks shall also follow other recreation guidelines listed above, and a more detailed summary can be found below (as an example to the level of detail from the State of New Hampshire):

In addition to strict adherence to U.S. Centers for Disease Control and Prevention (CDC), Equal Employment Opportunity Commission (EEOC) and Occupational Safety and Health Administration (OSHA) guidance, and US Food and Drug Administration (FDA), Chaffee County recommends policies and procedures to protect consumers and employees, including:

Employee Protection:
1. Campground employers must implement employee education and training around safe practices as it relates to hygiene, sanitation and illness policies outlined in the Universal Guidelines.
2. Campground employees must be screened as outlined in the Universal Guidelines.
3. Campground staff must be issued, depending upon their function, latex/non-latex gloves, eye protection (goggles or face shields), and cloth face coverings or other appropriate protective equipment. Cashiers and customer services representatives must wear, at a minimum, a cloth face covering.
4. There must be a limit of one person per truck/ATV/UTV. Vehicles must be disinfected after use.

Consumer Protection:
1.
2. Facilities:
   i. Tent sites and RVs may be made available.
   ii. Cabins, yurts, trailers, lean-to’s and tent platforms may be made available based on each campground owner’s discretion and ability to clean and disinfect.
   iii. All indoor public gathering areas must be closed.
   iv. Outdoor swimming pools may open at 50% capacity, limited to no more than 50 people, with the bathrooms and showers open but the lockers remain closed. Frequently touched surfaces, shared objects, and bathrooms should be cleaned and disinfected every hour.
   v. Playgrounds and outdoor sports facilities, such as tennis and pickleball courts, may be open for use for no more than 10 people at a time. High touch areas should be cleaned and disinfected frequently.
   vi. Laundry rooms must remain closed
   vii. RVs with and using full hookups are permitted without restriction except through site number limitations.
3. Restrooms:
   i. Restrooms must be frequently cleaned and disinfected, especially high-touch surfaces. Where feasible, restrooms may be converted to family style single use facilities where one campsite group may enter at a time.
   ii. Restrooms must be supplemented by a limited number of portable toilets at or near the restroom; there must be one portable per 8-10 people
4. Dishwashing stations may be open but only under social distancing, signage and disinfection protocols.
5. All facilities must be cleaned and disinfected in a manner and frequency prescribed by the CDC. Campsites must be thoroughly cleaned after each party.
6. All ancillary campground activities are prohibited.
7. No visitors may be allowed at a campsite.

Business Process Adaptations:

1. All reservations must be made online or by telephone in advance. Walk in sites may not be made available. COVID-19 messaging must be provided at time of reservation: Persons taking reservations must advise that if anyone in a party is feeling sick or may have been exposed to the virus, they are to stay home.
2. Check in:
   a. Administration offices must remain closed.
   b. The individual checking in must be asked if anyone in his or her party is sick or not feeling well based on the screening guidance outlined in the Universal Guidelines. If so, the campground must refuse service to the entire party and provide a refund in accordance with campground policies.
      i. When checking campers in, campgrounds must minimize contact as much as possible. If possible, perform the check-in outside by the camper’s vehicle, have the campers pay in advance, pay by credit card, use gloves, and keep social distancing protocols.
      ii. When checking campers in, campgrounds must provide information to all campers on the need for social distancing, frequent hand hygiene/washing, cloth face covering use when in public places, and of limited activities and facilities.
   c. Check in may be conducted using one of the following options in the below order of preference:
      i. Campers will self-check-in the via an on line application app at the campground; app will not allow check-in unless they are at the campground and have location services turned on. One router will be available for access outside the campground office to provide a WIFI connection.
      ii. Curbside check in with credit card, sneeze guards, and staff wearing a face mask.
      iii. Staff will drive through campground to verify that the campers are on site; staff will enter in the system at the office.

3. Retail stores at campgrounds must follow Chaffee County Safe Business Checklist.

4. Boat, bicycle and other equipment rentals may not be made available
APPENDIX K: GUIDING AND OUTFITTING RELATED BUSINESSES
CCPH Order 2020-07

Local outfitters to include Rafting companies, Fly-fishing, and Zip lines may be open under strict adherence to the criteria set forth in the Fifth Amended CDPHE Order 20-28.
APPENDIX L: BOWLING ALLEYS
CCPH Order 2020-07

Bowling alleys must:

- Limit the number of customers to 30% of fire/building capacity.
- Do not allow members to wait in lobby or in lines outside of the doors.
- Customers or patrons must be asked about symptoms before entering and entry should be declined if they are symptomatic.
- Guests must wear a face covering while using the facility, when physically possible.
- Post signs at entrances regarding face coverings, and post signs throughout the facility as needed to remind guests of social distancing and proper hygiene.
- Make reasonable accommodations for vulnerable populations who are still under the Safer at Home advisement. (e.g. assistance with equipment cleaning, special hours).
- All guests and staff must practice good hand hygiene, either hand washing or sanitizer.
- Guests experiencing symptoms of any illness MUST exclude themselves from using the facility.
- Implement one-way entry/exit and directional walkways as much as possible.
- Spread people out so that there is at least a 10-foot social distance between individuals throughout the facility.
- Bowling balls and shoes will be sanitized each day before opening and after each use. Bowling balls should be limited use.
- An employee must be required to disinfect equipment after every use.
- Perform environmental cleaning and disinfection of bathrooms and high touch surfaces every 2 hours and maintain a cleaning log.
- Reservations must be made, sold in 2-hour blocks and pre-payment will be required. At the time the reservation is made, shoe sizes will be taken and shoes will be at the lane before they arrive. Guests will be told to arrive 5 minutes before their scheduled time and to leave as soon as their session is over.
- Staff will visit each lane for orders to reduce the need for customers to leave their lane area.
- Monitor employees for one of the following symptoms:
  - Cough
  - Shortness of breath/difficulty breathing
  - Or two or more of the following symptoms:
  - Fever
  - Chills
  - Repeated shaking with Chills
  - Muscle Pain
  - Headache
  - Sore throat
  - New loss of taste or smell
- **Symptomatic employees MUST be excluded from the workplace**
  - Employees shall be required to wear a non-medical cloth face covering over the nose and mouth and any person that cannot wear a mask shall not be permitted to work at this time.
Prior to opening, hot springs shall submit a plan for reopening demonstrating how they will implement social distances and other best practice disease control measures for CCPH for review and approval. In addition, outdoor hot springs must:

- Before employees are allowed to return to work, each staff member will receive virtual or in-person training explaining the disinfection steps taken to ensure the resort is safe to return to.
- All employees will be required to wear a face covering and gloves at all times until further notice.
- All employees will be instructed on how to properly sanitize their face covering nightly to ensure no cross-contamination from a dirty mask.
- Employees will be directed to handwashing and sanitation stations in their specific department or area.
- Employees will be screened at the beginning and end of each shift and will be asked to stay home if symptomatic.
- Partnerships with top quality cleaning and disinfecting supplies, custom trainings, and continuing education will be maintained.
- Hours of operation will be reduced based on occupancy.
- Optimal water quality will be required to inactivate any viruses, including COVID-19. The swimming/soaking facilities will be cleaned daily beginning first thing in the morning. Water will continuously be monitored and the proper water balance will be maintained. All pools will be continuously monitored by state licensed water system operator.
- Outdoor swimming pools may open at 50% capacity, limited to no more than 50 people.
- Deck seating will be spread 6 feet apart minimizing social interactions between parties.
- Directional markings around pools will allow guests to navigate walking space without crossing paths.
- All guests will be encouraged to come dressed for soaking, and locker rooms will remain closed.
- Multiple payment stations will be available at all swimming facilities thus reducing lines.
- Private pools will be available to rent for private soaking in 50-minute increments. No more than 10 people will be allowed to soak at one time. Reservations and prepayment will be required. Booking slots will start every hour.
- Limited spa services will follow personal care requirements.
- Guests must be asked about symptoms before entering and entry should be declined if they are symptomatic.
