## **Colorado College Ice Rink and Equipment Coming to Salida**

What's gold and white, and bringing an ice rink to Salida? The prestigious Honnen Ice Arena, a Colorado College institution and part-time home of the CC Tigers of Division 1 NCAA hockey. Now former home.

The Chaffee County Amateur Hockey Association ("CCAHA"), a 501(c)(3) non-profit organization, has agreed to purchase the main components of the decommissioned rink as the CC Tigers prepare to move to their new home at Robson Arena. En route to Salida are boards, glass, benches, bleachers, scoreboard, equipment, and most importantly the refrigeration system for the ice. The very same that hosted Olympic medalists Peggy Fleming and Adam Rippon, and Stanley Cup champions Jaden Schwartz and Curtis McElhinney.

This is a monumental step in CCAHA's mission to bring an ice rink to Salida. It could not have been possible without the support of Colorado College, the City of Salida, Chaffee County, the Chaffee County Community Foundation, and our community and corporate sponsors (including the private foundation funding this transaction). We all have much to be proud of, but our work is not finished yet. We are seeking additional funding and partnerships to build a structure to house the rink and provide shade from the sun. We need your continued support to make the dream of ice skating in Salida a reality.

Donations may be made to:  
Chaffee County Amateur Hockey Association  
P.O. Box 1022  
Salida, CO 81201
