We are aware that at this time there are a large number of people that are not able to work due to Covid-19. Please take advantage of this food program.

This month will be handled different than previous months. We are asking that people remain in their cars and the food will be delivered to them. We will have people directing traffic. Our volunteers will be standing in front of the Salida Community Center building at 305 F. Street. We will be allowing the cars to pull up in front of the building and pull forward as soon as the cars in front of you are loaded and have pulled out. We are asking for your patience so that we can keep everyone safe.
